members that have a desire to participate in park activity development such as the butterfly garden, teaching kids how to fish in the park pond, craft shows, Christmas tree lighting, low cost dog, cat vet exams/vaccines and last but not least, my favorite, food truck park.

I also think fund raising events should be organized to

identify possible sponsorship by a major contributor for the naming of the pavilion, fees for rental of pavilion, vendors for market days/craft shows, food truck park [projected annual income of \$60,000]

Thank you for your consideration of these recommendations.

Tom Sue Burgess
